

MEN'S 2023
**FLAG
FOOTBALL**

To Whom It May Concern:

This fall we are excited to start a men's flag football league at Erie Sports Center. This league's mission is to make a difference in the lives of the men in our community. As you know strong, healthy men can change the trajectory of our community. We believe sports have a layered effect! Beyond healthy physical activity, sports increase confidence, build character, and teach life lessons that extend well beyond the field. We are reaching out to businesses to partner together to impact men's lives through football. The impact on these men will create an incredible ripple effect on their families and our community!

- **Team Sponsorship:** \$200 would give your company a designated team with the logo largely displayed on the back, as well as social posts, and recognition on both the site and emails to players. The team would be referred to as "Your Company's Name" throughout the season. We have 10 teams available for sponsorship.
- **Field Sponsorship:** \$800 would grant your company signage surrounding the outdoor field, as well as identifying the field when scheduling games with players. We have 5 fields available.
- **League Sponsorship:** \$3,000 would mean the entire league is referred to as "Men's Flag Football Presented by 'Your Company'". Your logo would be on everything - the front of every person's shirt, website header, registration page, confirmation email, advertisements, signs, social posts, flyers, videos, and photos. We have one league sponsorship opportunity

All donations will be made to our 501(c)(3), Success Through Sports, and will be tax deductible (ID# 87-4672237). With your sponsorship, we are helping make the league affordable for all men!

Sincerely,

Douglas Rekitt
Director, Flag Football
Erie Sports Center
